

Driver CPC Periodic Training - Course Syllabus - CRS2191/568

COURSE NAME	LGV & PCV DRIVERS HOURS - MODULAR
OBJECTIVE	To provide training in the required subject and to develop driver skills in line with the Driver CPC standard.
WHO SHOULD ATTEND	LGV or PCV Drivers or other staff holding an appropriate vocational licence, these may include Managers, Driver Trainers or Driver Assessors that need to achieve Periodic Training towards achievement of the Driver CPC qualification. The course may also be of benefit to management or other administration staff that may be involved in the Analysis of EU Drivers Hours. We will be happy to provide assistance to identify suitable delegates if this is required.
COURSE DURATION	3.5 hours training with the trainer completed in a half-day course.
YOUR TRAINER	The Trainer is an experienced instructor with many years of hands on practical experience in Road Transport Operations and Heavy Vehicle Maintenance. He holds appropriate qualifications to deliver the Periodic Training in addition to other recognised industry qualifications.
COSTS	Monday to Friday (single day modular course) = £95.00 + VAT per delegate Monday to Friday (2 day modular course) = £160.00 + VAT per delegate Saturday Courses = £140.00 + VAT per delegate Costs are inclusive of the data-uploading fee to the DFT database. Costs are inclusive of all course notes and materials. A light lunch or sandwiches will be provided along with refreshments.
PREPARATION	No preparation work is required for the course
